

An insignia is a badge or emblem to show others that you belong to a group or family. Karoline Rerrie designed an emblem for our museum. Can you find objects in the museum which inspired her design? Have a go at designing your own insignia. You could include drawings of your family, your hobbies, pets, favourite book characters, even your favourite food. Anything goes!

You could write a short motto in the swag beneath it to show your values and beliefs. E.g., 'Keep our beaches clean.' For a really authentic look, try using Google translate to write your motto in Latin. Our motto 'Stay Curious' translates as **'MANE CURIOSUS'**

Design your own emblem
